

## **Communication of investment in foreign entity**

Please be notified that on 22nd September 2021 MPC Caribbean Clean Energy Limited has been submitted as a shareholder who invested in the Cayman Islands based company MPC Caribbean Clean Energy Fund LLC for a committed amount of USD 10,000,000.

MPC Caribbean Clean Energy Fund LLC (Fund) is the "Investment Company" in which MPC Caribbean Clean Energy Limited (Company) was supposed to invest as outlined in the Company's Prospectus. The Investment Company is a Cayman Islands exempted company incorporated in the Cayman Islands in 2017. The Fund focuses primarily on solar PV and wind projects, which are expected to account for between 80% to 100% of overall investment.

Yours faithfully

Jose Fernando Zuñiga G.
