**FIXED DATE CLAIM FORM**

**IN THE SUPREME COURT OF JUDICATURE OF JAMAICA**

**IN THE COMMERCIAL DIVISION**

**CLAIM NO.** SU 2021 CD 00159

**IN THE MATTER OF THE COMPANIES ACT OF  
JAMAICA**

**AND**

**IN THE MATTER OF AN APPLICATION BY NCB  
FINANCIAL GROUP LIMITED FOR DIRECTIONS  
PURSUANT TO SECTION 130(2) OF THE  
COMPANIES ACT OF JAMAICA**

The Claimant, **NCB FINANCIAL GROUP LIMITED** of 32 Trafalgar Road, Half-Way-Tree, Kingston 10 in the parish of Saint Andrew claims for the following relief:

1. An order that notwithstanding the provisions of the Companies Act, the provisions of its Articles of Incorporation regarding the holding of general meetings and any notice of a general meeting, information, circular or other documents that it may disseminate or may have already disseminated, NCB Financial Group Limited (“NCBFG”) may call and conduct its next general meetings (“the General Meetings”, which term includes annual general meetings and/or extraordinary general meetings or any conducted following an adjournment or postponement) in accordance with this order and the General Meetings called or held in accordance with this order shall be valid.
  
2. An order that NCBFG is permitted to conduct General Meetings for the years 2021, 2022 and 2023 or for so long as Jamaica remains or is designated a disaster area pursuant to the Disaster Risk Management Act (whichever period is longer) by either:

- (a) Holding a meeting with one or more shareholders present at a physical venue with a live stream or broadcast of the meeting by electronic means or software (including webcasting, videoconferencing, teleconferencing, a combination of these and/or other electronic means) which allows all shareholders access to see and hear the proceedings, ask questions in such reasonable order and manner as the chairman may allow, and to vote electronically including before the meeting or by a proxy chosen from among the persons NCBFG indicates will be physically present at the meeting; or
  - (b) Holding a meeting entirely by live stream or broadcast of the meeting by electronic means or software (including webcasting, videoconferencing, teleconferencing, a combination of these and/or other electronic means) which allows all shareholders access to see and hear the proceedings, ask questions in such reasonable order and manner as the chairman may allow, and to vote electronically including before the meeting.
3. An order that NCBFG is permitted to provide its shareholders with notices of the General Meetings, resolutions, draft resolutions proposed to be passed, circulars, proxy forms, financials including profit and loss accounts, balance sheets and auditor's reports and any other documents necessary or relevant for the conduct of an annual general meeting and/or an extraordinary general meeting by one or more of the following means: electronic mail, pre-paid mail, posting links to access the documents on its website at [www.myncb.com](http://www.myncb.com) and/or the websites of the Jamaica Stock Exchange at [www.jamstockex.com](http://www.jamstockex.com) and the Trinidad & Tobago Stock Exchange at [www.stockex.co.tt](http://www.stockex.co.tt).

4. A declaration that any notice or document delivered in accordance with this order shall satisfy all requirements for serving documents for the General Meetings notwithstanding any provision to the contrary in the Companies Act or NCBFG's Articles of Incorporation.
5. An order that the failure or inability of a shareholder to attend or remain in the General Meetings held in accordance with paragraph 2 above because of mistake or because of events beyond the control of NCBFG shall not constitute a defect in the calling of the General Meetings and shall not invalidate any resolutions passed or proceedings taken at that General Meeting.
6. Liberty to apply.
7. Such further and other relief as this Honourable Court deems appropriate or which may be necessary to give effect to the orders sought.

**The Claimant is seeking the orders on the following grounds:**

- (1) NCBFG is a company incorporated under the Companies Act and is a financial holding company for National Commercial Bank Jamaica Limited and its subsidiaries. NCBFG is listed on the Jamaica Stock Exchange and the Trinidad & Tobago Stock Exchange where its shares are publicly traded.
- (2) On March 13, 2020, the Prime Minister of Jamaica, the Most Hon. Andrew Holness, by the Disaster Risk Management (Enforcement Measures) Order declared Jamaica a disaster area because of the SARS-CoV-2 ("Coronavirus COVID-19").

- (3) This Order, which was made pursuant to the Disaster Risk Management Act, imposed various restrictions including restricting the size of public gatherings and the distances among individuals in public spaces.
- (4) Since that date the Government has implemented several measures to limit the spread of Coronavirus COVID-19 by the promulgation of a series of orders under the Disaster Risk Management Act.
- (5) On March 23, 2021 the Disaster Risk Management (Enforcement Measures) (No. 4) Order, 2021 (“the Order”) was brought into effect extending the period for which Jamaica is deemed a disaster area to June 30, 2021.
- (6) The Order prohibits public gatherings exceeding 10 persons including annual general meetings and extraordinary general meetings.
- (7) The Order also maintains the prohibition against persons over the age of sixty years from leaving their place of residence except for specified purposes.
- (8) Given the nature of the Coronavirus COVID-19 it is likely that there will be further extensions and orders and even if there are no further extensions, the medical advisory is for persons to limit social contact, including public gatherings, as much as possible.
- (9) Section 126(1) of the Companies Act provides that **“Every company shall in each year hold a General Meeting as its Annual General Meeting...; and not more than fifteen months shall elapse between the date of one Annual General Meeting of a company and that of the next...”**

- (10) There are certain business opportunities which NCBFG is contemplating which may require or make it advisable to call and hold an extraordinary general meeting within the next six weeks. Absent the current impracticalities of calling the general meeting NCBFG would have immediately called an extraordinary general meeting.
- (11) NCB's shareholders are entitled to attend, be heard and vote at its General Meetings.
- (12) There are approximately 43,392 shareholders of NCBFG and there is no suitable venue which is an appropriate size to accommodate all shareholders entitled to attend at the required physical distance.
- (13) The most recent order made pursuant to the Disaster Risk Management Act continues several restrictions and also prohibits the calling or conduct of General Meetings without a court order permitting the General Meeting to be conducted virtually.
- (14) In relation to directors' meetings, section 141 of the Companies Act provides that **"a Director may if all the Directors of the Company, consents, participate in a meeting of Directors of the company or of a committee of the directors by means of such telephone or other communicating facilities as permit all persons participating in the meeting to hear each other"**.
- (15) There are no similar provisions in relation to General Meetings and the Companies Act therefore does not appear to allow them to be held or conducted by electronic means.
- (16) General Meetings must therefore generally be held at a physical venue where shareholders attend in person.

- (17) In the circumstances, it is not feasible for NCBFG to safely hold its next General Meetings as required by the Companies Act and its Articles of Incorporation in a manner that properly facilitates participation by its large number of shareholders.
- (18) Section 130(2) of the Companies Act provides that **“If for any reason it is impracticable to call a meeting of a company in any manner in which meetings of that company may be called, or to conduct the meeting of the company in a manner prescribed in the company's articles, the Court may, either of its own motion or on the application of any Director of the company or of any member of the company who would be entitled to vote at the meeting, order a meeting of the company to be called, held and conducted in such manner as the Court thinks fit, and where any such order is made may give such ancillary or consequential directions as it thinks expedient, and any meeting called, held and conducted in accordance with any such order shall for all purposes be deemed to be a meeting of the company duly called, held and conducted”**.
- (19) In the absence of an order of the court allowing for General Meetings by electronic means it would not be possible or feasible for NCBFG to hold General Meetings during the period the Order applies (including any likely extension).
- (20) In any event while Coronavirus COVID-19 remains prevalent in Jamaica holding General Meetings otherwise than by electronic means as permitted by the court would be at risk to the health of NCBFG’s shareholders, officers and all persons associated with hosting and attending General Meetings.

(21) The relief sought in this claim is therefore appropriate and necessary so that NCBFG may comply with any further or updated orders issued under the Disaster Risk Management Act, and the requirements of the Companies Act to hold General Meetings.

I certify that I believe the facts stated in this Fixed Date Claim Form are true.

**IN THE MATTER OF AN APPLICATION BY NCB  
FINANCIAL GROUP LIMITED FOR DIRECTIONS  
PURSUANT TO SECTION 130(2) OF THE COMPANIES  
ACT OF JAMAICA**

I, **PATRICK HYLTON**, being duly sworn make oath and say as follows:

1. I am a Director of the Applicant and my address for the purpose of these proceedings is 32 Trafalgar Road, Half-Way-Tree, Kingston 10 in the parish of Saint Andrew.
2. In so far as the facts herein are within my knowledge, they are true and in so far as they are not within my personal knowledge, they are true to the best of my knowledge information and belief.
3. I exhibit and mark "**PH-1**" for identity, an indexed bundle of the documents which I make reference in this affidavit.
4. On March 13, 2020, the Prime Minister of Jamaica, the Most Hon. Andrew Holness, by the Disaster Risk Management (Enforcement Measures) Order declared Jamaica a disaster area because of the SARS-CoV-2 ("Coronavirus COVID-19"). This order which was made pursuant

to the Disaster Risk Management Act, imposed various restrictions including restricting the size of public gatherings.

5. After a series of other orders, on March 23, 2021 the Disaster Risk Management (Enforcement Measures) (No. 4) Order, 2021 (“the Order”) was brought into effect extending the period for which Jamaica is deemed a disaster area to June 30, 2021.
6. The Order prohibits public gatherings exceeding 10 persons including annual general meetings and extraordinary general meetings.
7. The Order also maintains the prohibition against persons over the age of sixty years from leaving their places of residence except in specific circumstances.
8. The Prime Minister and the public medical authorities have indicated repeatedly that there is no certainty as to when the pandemic will end or be brought under control, and therefore when these restrictions will end.
9. According to the Jamaica Information Service, Jamaica was expected to begin receiving vaccines against Coronavirus COVID-19 in February 2021 and the Government anticipated that only approximately 450,000 persons will be vaccinated at the end of 2021. This is less than 20% of the estimated 3,000,000 population of the country.
10. At this anticipated rate of vaccination, it would mean that Coronavirus COVID-19 will continue to remain prevalent for at least another year and possibly beyond. Exhibit “**PH-1**” includes Jamaica Information Service article titled “Jamaica to get COVID-19 Vaccine by mid to late February” dated February 3, 2021.
11. There has been a consistent and continuous increase in confirmed cases of Coronavirus COVID-19 in Jamaica. The public medical

authorities have also confirmed that there has been increase in the positivity rate of Coronavirus COVID-19 to 31.13%. This significantly raises the chances of persons contracting it. Exhibit **“PH-1”** includes Jamaica Information Service article titled “Jamaica records 468 cases of COVID-19” dated February 17, 2021.

12. The Government did not receive vaccines to begin its vaccination programme until March 2021. As of March 25, 2021, the Government had vaccinated only 26,500 persons. This is only 1% of the total number of persons the Government proposes to vaccinate.
13. The Government estimates that it will not be before March 2022 that approximately 65% of the population will be vaccinated. Exhibit **“PH-1”** includes Jamaica Information Service article titled “Over 26,000 Jamaicans Inoculated with First Dose of COVID-19 Vaccine” dated March 25, 2021.
14. However, there have been worldwide spikes in the number of Coronavirus COVID-19 cases which have resulted in disruptions in the supply of vaccines. This may affect the supply of the vaccines scheduled to be delivered to Jamaica and will likely therefore result in a delay in vaccine administration in Jamaica. Exhibit **“PH-1”** includes Gleaner article titled “Vaccine Jam – Gov’t needed to pursue unapproved brands as AstraZeneca supplies halted by India” dated March 25, 2021.
15. Based on the information now available, it appears likely that the restrictions on public gatherings and physical distance requirements will continue for several more months and possibly a year or more.
16. Further, out of an abundance of caution, even after the restrictions have been lifted it appears to be prudent to not convene large public gatherings.

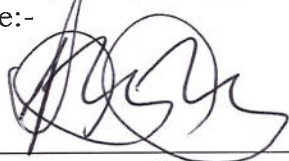

17. I am advised by the Applicant's Attorneys-at-law and verily believe that the Companies Act requires that the Applicant hold an annual general meeting within 15 months of its last annual general meeting.
18. I am further advised by the Applicant's attorneys-at-law and verily believe that the Companies Act appears to require that the annual general meeting must be held at a physical venue where shareholders attend in person and all shareholders are entitled to attend these meetings and vote.
19. The Applicant is required to hold its next annual general meeting no later than May 2022. However, there are certain business opportunities which NCBFG is contemplating which may require or make it advisable to call and hold an extraordinary general meeting within the next six weeks. Absent the impracticalities outlined below the Applicant would have immediately called an extraordinary general meeting.
20. The number of shareholders of the Applicant is approximately 43,392.
21. In light of the Order (and any likely extension of it) and the conditions caused by the Coronavirus COVID-19 however, it is impracticable for the Applicant to hold its next general meetings ("the General Meetings", which term includes annual general meetings and/or extraordinary general meetings or any conducted following an adjournment or postponement) in accordance with the Companies Act and its Articles of Incorporation.
22. It is impracticable because of the number of shareholders entitled to attend and the absence of suitable venues which are the appropriate size to accommodate all attendees at the required physical distance.
23. It would also expose the shareholders, the officers of the Applicant and all persons associated with hosting the General Meetings to the increased risk of exposure to Coronavirus COVID-19.

24. In any event, the most recent order made pursuant to the Disaster Risk Management Act continues several restrictions and also prohibits the calling or conduct of General Meetings without a court order permitting the General Meeting to be conducted virtually.
25. I am advised by the Applicant's Attorneys-at-law and verily believe that where it is impracticable to hold the General Meetings of a company in the normal course, a director or member of that company may apply to the court pursuant to Section 130(2) of the Companies Act for the court to order the manner in which the meetings may be called and conducted.
26. The Applicant is minded to call, hold and conduct its next General Meetings for the years 2021, 2022 and 2023 or for so long as Jamaica is affected by the Coronavirus COVID 19 pandemic and remains designated a disaster area pursuant to the Disaster Risk Management Act, whichever period is longer, using technology or electronic means that will allow the shareholders to participate in a similar manner to in-person meetings and intend to use such service providers as are necessary and financially prudent in order to achieve this objective.
27. If the Applicant calls and conducts the General Meetings in the manner set out in the orders sought in the Fixed Date Claim Form, I believe its shareholders will have an opportunity to attend, participate and vote at those meetings and that they are unlikely to be prejudiced.
28. In the absence of an order of the court allowing for General Meetings by electronic means it would not be possible or feasible for NCBFG to hold General Meetings during the period the Order applies (including any likely extension). In any event while Coronavirus COVID-19 remains prevalent in Jamaica holding General Meetings otherwise than by electronic means as permitted by the court would be at risk to the

health of NCBFG's shareholders, officers and all persons associated with hosting and attending General Meetings.

29. The Applicant has registered its Articles of Incorporation with the Office of the Registrar of Companies which maintains a public registry from which the articles may be accessed. Exhibit "PH-1" includes a copy of the Applicant's Articles of Incorporation.
30. The provisions dealing with the calling, holding and conducting of annual general meetings of the Applicant are at clauses 48-76 of its Articles of Incorporation and may be contrasted with clause 103-105 which deals with the holding of Director's meetings.
31. In these circumstances, the Applicant seeks orders in the terms of the Fixed Date Claim Form.

# Jamaica To Get COVID-19 Vaccines By Mid To Late February

 CORONAVIRUS    FEBRUARY 3, 2021

WRITTEN BY: LATONYA LINTON

PHOTO: DONALD DE LA HAYE

Minister of Health and Wellness, Dr. the Hon. Christopher Tufton, says the Government has been advised by the COVAX Facility that the country is set to receive between 146,400 and 249,600 doses of the AstraZeneca vaccines, by mid to late February 2021.

Speaking in the House of Representatives on Tuesday (February 2), Dr. Tufton said this means that some 125,000 Jamaicans could receive vaccines by the end of February into March.

Among those to receive the vaccines are front-line workers, including nurses and doctors, and then vulnerable persons; chief among those are persons 60 years and older.

“The availability of this vaccine is, of course, subject to the World Health Organization (WHO) Emergency Use Listing and the indicative amount is based on the current communication from the manufacturers, Serum Institute of India and SK Bioscience,” Dr. Tufton said.

He further stated that if additional supplies under the COVAX arrangement are received, the Ministry will be able to vaccinate some 450,000 Jamaicans by the end of the year.

“I must hasten to caution that it is likely that the allocation could be adjusted upward or downward depending on the present global circumstances and any anticipated challenges that the Facility may encounter, which most likely would be issues around manufacturing,” Dr. Tufton said.

“But, to date, so far so good [as the] commitments have remained true and this latest correspondence that we have received is an indication of confidence in the process to deliver on the commitments that we have signed on to,” he added.

Dr. Tufton noted that there are several steps that must be taken, as Jamaica prepares to receive its first shipment of COVID-19 vaccines.

Among them, he said, is having the necessary indemnity and liability frameworks in place, in order to complete the agreement directly with AstraZeneca, as well as finalising other procurement matters with the COVAX Facility’s management.

# Jamaica records 468 Cases of COVID-19

 CORONAVIRUS    FEBRUARY 17, 2021

WRITTEN BY: MINISTRY OF HEALTH AND WELLNESS

Jamaica has logged a record 468 positive cases of COVID-19 in a 24 hour period, even as the public health system increases its testing across the island. These positives come from a set of 1,503 new samples that were tested in the last 24 hours and brings the island's COVID-19 case count to 19,773. The island's daily positivity rate now stands at 31.13%

Kingston & St. Andrew (172), St. Catherine (75), Manchester (59) and St. James (29) were the parishes accounting for the largest contribution to the record number of cases. The country is now managing some 6,513 cases across the island while some 251 of the active cases requiring hospitalization. There are now 49 moderately ill COVID-19 patients and 19 more are in critical condition.

There were 49 patients, who have recovered from COVID-19 and have been released from isolation in the last 24 hours.

Members of the public are again asked to take every precaution to guard against the spread of this disease. Jamaicans must adhere to the provisions under the Disaster Risk Management Act, even as they increase their vigilance to the infection prevention and control measures – washing hands frequently or using hand sanitizer, keeping a physical distance of six feet from others; wearing masks and avoiding crowded situations.

A total of 26,512 Jamaicans, including Prime Minister, the Most Hon. Andrew Holness, and Opposition Leader, Mark Golding, have, so far, received their first dose of the Oxford/AstraZeneca coronavirus (COVID-19) vaccine.

This is the first of two doses, with the next to be administered within another eight to 12 weeks.

Permanent Secretary in the Ministry of Health and Wellness, Dunstan Bryan, who made the disclosure, noted that these persons, who comprise selected priority groups, have been vaccinated as at Monday (March 22).

They include healthcare workers, Jamaica Constabulary Force (JCF) and Jamaica Defence Force (JDF) officers, and the elderly, with the majority falling in the 30-59 age cohort.

He was speaking during the weekly virtual COVID-19 Conversations press briefing on Tuesday (March 23).

Mr. Bryan said a breakdown of the overall number of vaccinated persons shows that 55 per cent of them are healthcare workers, 32 per cent are JCF and JDF officers, and 11 per cent – the elderly, with the remaining 1.49 per cent falling outside those priority groups.

“Some of these persons [outside the priority groups] represent those [who] in the first couple of days were vaccinated because of excess doses that were in the parish and persons were inoculated based on their presence,” the Permanent Secretary indicated.

He said they have since resolved the issue, “and we believe that we have cauterised this particular problem”.

“We now have a system in place with the call-out list, where only persons within the specific groups... are vaccinated at the time,” Mr. Bryan stated.

He said the number of vaccinations administered represents 94 per cent of the Ministry’s target for the first week of the exercise and 91 per cent for the second, ending Tuesday (March 23).

“[In terms of] our target for the month, we have achieved 56 per cent of that, and for the year we are one per cent,” he added.

Mr. Bryan pointed out that most of the persons vaccinated were from Kingston

For this week (March 22 to 28), focus is to be placed on vaccinating persons 75 years and older.

The Government has set a target to inoculate 65 per cent of the population by March 31, 2022.

hamstrung after India placed a temporary

es to the COVAX Facility of the World

onsibility of procuring vaccines, told **The**

we knew from long ago that any vaccines exported from India were subject to the permission of the Indian government, so we saw the tightening upcoming," Mitchell told **The Gleaner**.

Dr Guna Muppuri, whose Indies Pharma has inked a deal to exclusively import the

COVAXIN vaccine.

Mitchell said there are ongoing negotiations with nine other vaccine manufacturers.

"What we are doing is spreading the net as far and as wide as possible with the hope of satisfying our small needs. We are reaching out to anyone who has vaccines that we can acquire," the NHF chairman stated.

Health Minister Dr Christopher Tufton admitted that the development will make it more difficult for Jamaica to source vaccines.

Jamaica is awaiting a shipment of 26,000 doses of AstraZeneca vaccines expected within two weeks, but with the ban, it is unclear whether there will be a delay. More than 64,000 doses were shipped in mid-March.

As at Saturday, 24,502 doses had already been administered.

"It is hard for me to tell [whether those will be affected]. It is through COVAX and, therefore, we have no direct control or no direct contact with AstraZeneca. I don't know if they were already in the possession of COVAX or they were to be shipped. We can only wait to hear," Mitchell stated.

Dr Guna Muppuri, who has signed a deal for the exclusive importation and distribution in Jamaica of the India-made COVAXIN vaccine, contends that it is now crunch time and the Government is in a conundrum.

"It is my belief, with the news now with AstraZeneca and that delay is going up to May and thereafter, there will be a lot more demand from many countries and you are not sure when the COVAX vaccine will come unless the US government will pump their excess. Everything is after July ... ," Muppuri told **The Gleaner**.

COVAXIN, manufactured by Bharat Biotech, has not yet received WHO approval but has been used in several countries, including in Guyana.

Muppuri believes it is now time for technocrats to decide whether in a pandemic, holding the hard-line stance that only WHO-approved vaccine is the best approach.

"I believe that the time has come now for chief medical officer, the medical fraternity, and the pharmaceuticals to advise the Government when to waive certain requirements and when to stand firm with certain requirements.

“If they go ahead and give approval for vaccine use without WHO pre-certification, they are going to face a certain amount of criticism. If they don’t and stand firm on this condition, they will have people losing lives,” Muppuri reasoned.

“It is a very difficult scenario for the ministers and the Cabinet,” he added.

Muppuri made it clear that he was not forcing the Government to resile from its position.

He has also denied that there is a two-million minimum buy that the manufacturers of COVAXIN are requesting from Jamaican authorities.

In the meantime, India High Commissioner Masakui Rungzung has touted COVAXIN as safe, even as he acknowledged the position of the Government.

“My prime minister has taken it, my foreign minister has taken it. All my Cabinet ministers have taken this COVAXIN. We are simply saying that if it is safe for my prime minister in India, it should be safe for my people, and if it is safe for 1.3 billion people, it should be safe for people in other countries,” Rungzung told **The Gleaner**.

The Company's lien, if any, on a share, shall extend to all dividends payable thereon.

POWER OF SALE

14. The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien, but no sale shall be made unless a sum in respect of which the lien exists is presently payable nor until the expiration of 14 days after notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share, or the person entitled thereto by reason of his death or bankruptcy.

BOARD MAY AUTHORISE EXECUTION OF TRANSFER

15. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer, and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

APPLICATION OF PROCEEDS OF SALE

16. The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue, if any, shall (subject to a like lien for sums not presently payable as existed upon the shares before the sale) be paid to the person entitled to the shares at the date of the sale.

BOARD MAY MAKE CALLS

17. The Board may from time to time make calls upon the members in respect of any moneys unpaid on their shares and not by the conditions of allotment thereof made payable at fixed times, provided, except in so far as may be otherwise agreed between the Company and any member in the case of shares held by him that no call shall exceed one-fourth of the value of the share or

be payable at less than 30 days from the date fixed for the payment of the last preceding call, and each member shall (subject to receiving at least 14 days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. A call may be revoked or postponed as the Board may determine.

DEEMED MADE AT TIME OF RESOLUTION

18. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be required to be paid by instalments.

LIABILITY OF JOINT HOLDERS

19. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

TO CARRY INTEREST

20. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate not exceeding five per centum per annum as the Board may determine, but the Board shall be at liberty to waive payment of such interest wholly or in part.

TERMS OF ISSUE DEEMED CALLS

21. Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date shall for the purposes of these Articles be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable, and in case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

BOARD MAY DIFFERENTIATE

22. The Board may, on the issue of shares, differentiate between the holders as to the amount of calls to be paid and the times of payment.

CALLS PAID IN ADVANCE

23. The Board may, if they think fit, receive from any members willing to advance the same, all or any part of the moneys uncalled and unpaid upon any shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance become payable) pay interest at such rate not exceeding (unless the Company in general meeting shall otherwise direct) five per centum per annum as may be agreed upon between the Board and the member paying such sum in advance.

TRANSFER OF SHARES

24. Any share in the Company may be transferred by an instrument in writing which shall be signed by or on behalf of the transferor and the transferee, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the register thereof.

Notwithstanding the above, applicable forms duly completed in an offer for sale shall be deemed to be an instrument in writing or transfer satisfying the above provisions of this Article.

25. Subject to such of the provisions of these Articles as may be applicable, any member may transfer any or all of his shares by instrument in writing by any common or usual form.
26. The Board may decline to register a transfer of a share (not being a fully paid share) to a person of whom they shall not approve, and they may also decline to register the transfer of a share on which the Company has a lien.

INSTRUMENTS OF TRANSFER

27. The Board may also decline to recognise any instrument of transfer unless:-
  - (a) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
  - (b) the instrument of transfer is in respect of only one class of share.
28. If the Company's Registrar and Transfer Agent following the directive of the Board refuses to register a transfer he shall within one week after the date of such refusal send to the proposed transferee or cause to be sent to him notice of the refusal.
29. The registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine, provided always that such registration shall not be suspended for more than 30 days in any year.
30. The Company shall register free of any fee, every probate, letter of administration, certificate of death or marriage, power of attorney, notice in lieu of distringas, or other instrument affecting the title to any share.

TRANSMISSION

31. In case of the death of a member, the survivor or survivors where the deceased was joint holder, and the legal personal representatives of the deceased where he was a sole holder, shall be the only persons recognised by the Company as having any title to his interest in the shares but nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.

PERSONAL REPRESENTATIVE OR TRUSTEE IN BANKRUPTCY MAY BE REGISTERED  
OR TRANSFER SHARES

32. Any person becoming entitled to a share in consequence of the death or bankruptcy of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect either to be registered himself as the holder of the share or to have some person nominated by him registered as the transferee thereof.

PROCEDURE

33. If the person so becoming entitled shall elect to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have another person registered he shall testify his election by executing to that person a transfer of the share. All the provisions of these Articles relating to the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy of the member had not occurred and the notice or transfer were a transfer signed by that member. All the provisions of Articles 26 and 27 shall also apply to such a person and to any such transfer.

RIGHTS BEFORE REGISTRATION

34. A person becoming entitled to a share by reason of the death or bankruptcy of the holder or otherwise by operation of law shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company. PROVIDED always that the Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share, and, if the notice is not complied with within 60 days the Board may thereafter withhold payment of all dividends, bonuses, or other moneys payable in respect of the share until the requirements of the notice have been complied with.

NOTICE REQUIRING PAYMENT

35. If a member fails to pay any call or instalment on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued.

FORFEITURE FOR NON-PAYMENT OF CALLS

36. The notice shall name a further day (not earlier than the expiration of 14 days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.

IF NOT PAID SHARES MAY BE FORFEITED

37. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.

MAY BE SOLD OR FORFEITURE CANCELLED

38. A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Board thinks fit and any such forfeiture shall extend to all dividends declared or other monies payable in respect of the shares so forfeited, but not actually paid before such forfeiture.

LIABILITY TO PAY CALL CONTINUES

39. A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, and shall surrender to the Company for cancellation the certificate for the forfeited shares, if any, but shall, notwithstanding, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the share.

PROOF OF FORFEITURES

40. A statutory declaration that the declarant is a Director or Secretary of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

TO APPLY TO SUMS OTHER THAN CALL

41. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, as if the same had been payable by virtue of a call duly made and notified.

CONVERSIONS OF SHARES

42. The Company may by ordinary resolution convert any paid-up shares into stock, and reconvert any stock into paid-up shares of any denomination.

HOLDERS MAY TRANSFER SHARES

43. The holders of stock may transfer the same, or any part thereof, in the same manner, and subject to the same provisions, as and subject to which the shares from which the stock arose might previous to conversion have been transferred, or as near thereto as circumstances admit; and the Board may from time to time fix the minimum amount of stock transferable but so that such minimum shall not exceed the amount of the shares from which the stock arose.

RIGHTS AS REGARDS DIVIDENDS, VOTING ETC.

44. The holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the Company and other matters as if they held the shares from which the stock arose, but no such privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.

REGULATIONS AS TO SHARES TO APPLY TO STOCK

45. Such of the Articles of the Company as are applicable to paid-up shares shall apply to stock, and the words "share" and "shareholder" therein shall include "stock" and "stockholder".

NON-RECEIPT OF NOTICE NOT TO INVALIDATE MEETING

- 52. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.
