

An RBC™ Company

Dear Valued Client:

Alignvest Acquisition II Corporation (AQY) a Canadian publicly traded firm entered into an Arrangement with Sagicor Financial Corporation (Sagicor) to acquire the common shares of Sagicor. The Arrangement was approved by Sagicor shareholders, which resulted in the Trinidad & Tobago Stock Exchange suspending the trading of Sagicor shares effective November 29, 2019.

Upon completion of this Arrangement, Sagicor and Alignvest will combine and the new entity will be named Sagicor Financial Company Limited "New Sagicor". The new entity will trade on the Toronto Stock Exchange in Canadian dollars.

Shareholders will receive a Direct Registration System (DSR) statement in the mail with the number of shares in the "New Sagicor"

Clients have two (2) options either, deposit and hold the shares or deposit and sell the shares.

To deposit the shares you will need to open an International Brokerage Account. Our minimum balance to open an International Brokerage Account is US \$10,000.00, for additional information required on opening an International Trading Account kindly visit WISE's website at: <https://wiseequities.com/home/opening-an-account.php>.

WISE clients with an existing International Brokerage Account, can deposit their shares at our St Clair office, please note no minimum deposit is required.

Let a member from our Sales Team help you deposit the New Sagicor shares.
